

SPRING PROJECT UPDATE

ALYSEN PLACE

Penticton, BC

March 21, 2006

The three phase luxury condominium project will consist of three buildings totalling 192 units. With Phase 1 beginning construction, we are now starting to market our suites, which range in size from 850 sq. ft. to over 1400 sq. ft. You may have already seen our inserts in the Globe & Mail and National Post. You will soon be able to walk through one of our suites at our Sales Centre. If you haven't already registered on the website www.ALYSENPLACE.COM, please do so, so you will be included on our mailing list for updates on our Sales Centre Grand Opening and **ALYSEN PLACE** pricing information.
