

## PROJECT UPDATE

OF

# ALYSEN PLACE

Penticton, BC

February 16, 2006

Pilot Pacific is continuing to move forward with the development of **ALYSEN PLACE** in Penticton, BC. We are now starting construction of the first phase of the three towers at our site near Skaha Beach. Our first tower will be 8 storeys, and will consist of luxurious condominium residences ranging from 1 bedroom + den, 2 bedroom and 2 bedroom + den suites from 850 sq. ft. to over 1400 sq ft. Construction of phase one is estimated to be completed in the Fall of 2007. To learn more about the project, please visit [www.ALYSENPLACE.COM](http://www.ALYSENPLACE.COM) or contact our staff at [mail@pilotpacific.com](mailto:mail@pilotpacific.com).
